

REMARKS

In the Communication dated June 27, 2006, the Examiner indicated that the file contained more than one set of claims. It is noted that the application papers, including the Preliminary Amendment, were filed in compliance with the rules of the U.S. Patent Office then in effect (that is, in 2002).

However, to simplify matters, and in accordance with the Examiner's oral request expressed in a telephone interview with the undersigned on July 6, 2006, submitted herewith is a complete set of claims.

In preparing this set of claims, a number of claims have been amended to correct the language and to conform to U.S. Patent Office practice.

It is believed that no fees or charges are required at this time in connection with the present application. However, if any fees or charges are required at this time, they may be charged to our Patent and Trademark Office Deposit Account No. 03-2412.

Respectfully submitted,
COHEN, PONTANI, LIEBERMAN & PAVANE LLP
